

**Route 220 Corridor Intersection Improvements
Roanoke, Franklin and Henry Counties
and the City of Roanoke**

Virtual Design Public Hearing

Wednesday, April 21, 2021, 5-7 p.m.

<https://www.virginiadot.org/route220Intersections/>

Find out about a project to improve signalized intersections along Route 220 in the City of Roanoke and the counties of Roanoke, Franklin and Henry. Seven intersections along this important corridor will be modified using an innovative intersection design known as a thru-cut. This project will involve a change and/or break in limited access.

A thru-cut intersection redirects side-street through traffic to turn left or right at the signal and to turn directly into businesses or to use a nearby crossover to make a U-turn. The seven intersections with Route 220 include:

- Southern Hills Drive/Valley Avenue in Roanoke/Roanoke County
- Pheasant Ridge Road/Crossbow Circle in Roanoke/Roanoke County
- Buck Mountain Road/Stable Road in Roanoke County
- Clearbrook Village Lane/Indian Grave Road in Roanoke County
- Wirtz Road in Franklin County
- Sontag Road/Cassell Drive in Franklin County
- Dyer Street in Henry County

The hearing will be held as a **virtual/online** event. VDOT representatives will make a presentation beginning at 5 p.m. and be present to answer questions through the WebEx Chat function after the presentation is completed. The presentation will be available for review throughout the comment period.

Project information, including the National Environmental Policy Act document in the form of a Programmatic Categorical Exclusion, is available on the project website <https://www.virginiadot.org/route220Intersections/> and can be reviewed after the hearing at VDOT's Salem District Office located at 731 Harrison Avenue, Salem, VA 24153.

Property impact information, relocation assistance policies and tentative construction schedules are available on the project website and for review at the address listed above. For additional information, contact Brett Elledge at 540-387-5353, 1-800-367-7623, TTY/TDD 711.
