

## **I-95 Southbound Auxiliary Lane Prince William County**

### **Environmental Document Available for Review**

The Virginia Department of Transportation, in cooperation with the Federal Highway Administration, will construct a 1.5-mile auxiliary lane on southbound I-95 from Route 123 (Gordon Boulevard) to Prince William Parkway (Route 294). All work will be done within the existing right of way.

**In compliance** with the National Environmental Policy Act (NEPA) and 23 CFR Part 771, a Categorical Exclusion (CE) has been prepared. Pursuant to the National Historic Preservation Act, Section 106 and 36 CFR 800, information concerning the potential effects of the proposed improvements on properties is also included in the environmental document. The environmental document, which includes the Noise Analysis Technical Report, is now available for public review and comment on the project website ([www.virginiadot.org/projects](http://www.virginiadot.org/projects)) or during business hours by appointment only at VDOT's Northern Virginia District Office at 4975 Alliance Drive in Fairfax. Please call 703-259-3358 or TTY/TDD 711 to make an appointment with appropriate personnel.

**Submit your written comments** about the CE to Ms. Anissa Brown at the above address by **July 13, 2020**. You may also e-mail comments to [Anissa.Brown@VDOT.virginia.gov](mailto:Anissa.Brown@VDOT.virginia.gov). Please reference "I-95 Southbound Auxiliary Lane Environmental Document" in the subject line.
